April 2010

From The Manager's Desk

Don't forget to join us for a very special fund raiser. On Thursday, April 22nd, KCCL will be hosting a delicious, all-you-can-eat spaghetti dinner to raise money for the SCTP kids. We need to raise \$3,000 to help pay for travel, lodging, and expenses so our young wing shooters can go to the state shoot in Detroit and the national shoot in Sparta, Illinois. Remember, these kids are the next generation of KCCL members. We need to do all we can to make sure that young people get involved in, and enjoy, the shooting sports.

Please remember Larry Mennetti in your prayers. He is in the hospital recovering from a stroke.

New Business

An insurance policy evaluation was presented. Several vendors submitted a bid. By changing our insurance vendor, the club will save money on premium costs. The new vendor will require that "Hold Harmless" waivers be signed by the membership and guests of

the club. A motion was made by Ralph Rader and seconded by Ed Eckleberry to purchase the insurance from the vendor chosen by the Board. The motion passed. A motion was made, seconded, and passed to reimburse the insurance professional for the work he did in evaluating various insurance company bid proposals.

Treasurer's Report

Ralph Rader presented the financial report. A motion was made, seconded and approved to accept the report. Ralph asked the manager to keep an eye on labor costs.

**New Spring League
Is Here**

Starting this month, KCCL will run a 50-bird skeet or trap league every weekend. Shoot either day. Scores will be handicapped with prizes given out based on the number of shooters. A new league will start every other weekend so there's no long-term commitment. That makes it easy to participate in between vacations and honey-do projects. The Spring League will be every bit as fun as the Winter League but without the frigid temperatures.

**Volunteer of the Month:
Joe Wierzbecki**

As the trap coach for our young SCTP shooters, Joe does more than just help KCCL. He is also helping introduce a new generation to the shooting sports. In addition to coaching, Joe is the newly elected Secretary on the Board of Directors. He also helps with all kinds of projects, from repairing skeet machines to fixing the gator. Be sure to tell Joe how much you appreciate all the hours he spends to make KCCL such a great club.

Advanced Tactical Pistol Class on April 17th, 12-5 PM

It ain't like in the movies! Mastering a handgun in stressful defensive situations takes practice and the right instruction. Now you can learn how to handle a pistol in different tactical situations from Certified Law Enforcement Instructor, Mark Jacobson, as you're put through a multiple-stage combat course.

This course is not for beginners. It runs approximately 5 hours and costs \$85 (a real bargain for this caliber of instruction). You'll need a minimum of 3 magazines. If needed, ammo will be available from the instructor. Call 676-1056 to sign up. But don't delay; the class will be limited to 10-12 participants.
