This Hunter Safety class is designed for students planning to purchase their first hunting license. Parents are highly encouraged to attend the classes—with preferred seating provided to the students. Adults planning a hunt in the western US may be required to have a Hunter Safety Certificate. Class size is limited to the first 45 registrants and you must attend ALL sessions and pass the State Hunter Safety test to earn a certificate (Michigan state requirement). Register each student by completing the form listed below and sending with payment to the address listed below. Please print all information. Sorry but the \$10.00 registration fee is non-refundable if your plans change. Make checks payable to:
